## *President's Message ...*

I cannot believe that this school year is almost over! Thank you so much for allowing me to serve as our PTSA's President. I have been able to meet and work with so many wonderful people. I have had a great team to work with.

We say goodbye to our principal, Mr. Evans, and wish him a wonderful retirement! We will miss you, Mr. Evans. Our new principal, Ms. Anderson's official first day is July 1<sup>st</sup>. We met Ms. Anderson last week. Thanks to everyone who came out to meet and greet her. Welcome Ms. Anderson! We look forward to working with you.

Since our last newsletter – we held PTSA meetings on 5/11 and 6/8. The minutes are posted on our website. Thanks to all who attended.

On May 5<sup>th</sup> – we celebrated our teachers, by hosting a Teacher Appreciation luncheon. Thanks to our amazing chairperson, Trena Makell, we were able to get donations from: Buffalo Wild Wings, PF Changs, The Olive Garden, and Hooters. Chick-fil-a (Eastpoint) donated free sandwich coupons. Casa Mia donated a gift card. Thanks to our helpers: Laura Graves, Karen Flesher, Bethany Broznovicz, Kasey Drzewiecki, and Kelsey Person. It was so much fun to see all of the teachers spinning the wheel and trying to win the big prize. Lucky teacher: Ms. Clawson won an iPad mini! We also celebrated our bus drivers and gave them a treat bag. We are looking for someone to chair this wonderful event next year – so if you are interested, please email me. Get to know your student's teachers!

On May 16<sup>th</sup> – the PTSA held a guest bartender night at Harvey's Pub. Thanks to Mr. Mesaros and Mr. Schimmel for guest bartending. Thanks to Mr. McConnell for coming out. A very big thank you to, Kallie Smith (Mr. Schimmel's beautiful girlfriend) who did everything in her power to get us donations that night! Our teachers and their families do so much to support Eastern Tech and our PTSA –we love them for it!! Thanks to Harvey's Pub for allowing us to hold this event!

On May 23<sup>rd</sup> – we held an amazing After Prom party! Thanks to Doris Hitt, the chairperson of this wonderful event that provides our seniors a safe alternative to risky behaviors on Prom Night. Please take the time to read Doris' letter that thanks all of our wonderful volunteers and generous donors that make this event possible. Thank you to Nurse Weaver for donating a whole evening to make sure our students were well and to Mr. Satterfield for also coming to the After Prom party to help with the registration/entrance process. This is our biggest event and it takes a lot of people to make it happen – so thanks to all who helped in any way!

Congratulations to the Class of 2015! The PTSA was able to offer seven \$500 college scholarships. We received many applications and thank all of the students who took the time to apply. The following students were awarded PTSA college scholarships: Emily Pelle, Kathleen Gettier, Olivia Dumer, Mason Snyder, Victoria Oji, Matthew Miklosovich, and Kaitlin Blake. Thank you so much to the Class of 2015 and their families for participating and supporting our PTSA over these past four years! We wish you all the best!

Thank you to Trish Miller, our school's finance administrator. Trish participates in our fundraisers and has helped me carry out to my car all of the wonderful donated items that we receive throughout the year.

We have a few people that won't be returning in their positions next year. Thank you so much to the following people for their service this year: Trena Makell (teacher appreciation), Kim Ruark (bulletin board), and Nkenge Barker (PTA Council).

Eastern Tech is "a school like no other" and it's our amazing students, faculty, staff, PTSA, and community members that work together all year long that makes Eastern Tech live up to that standard. I am so proud to be a part of this passionate community. Looking forward to next year! Our next PTSA meeting is Monday, August 10<sup>th</sup> in the main office conference room.

Have a wonderful and safe summer!

## **From the Principal:**

**Congratulations to the Class of 2015!** We are very proud of their accomplishments during their four years at Eastern Tech. The Class of 2015, while one of the smaller classes we've had during my tenure as Principal of Eastern Tech, has been an outstanding class both academically and athletically and includes some of the strongest students to ever go through our school. 93% of this year's graduates are going right from high school into college next year! Of that 93%, 65% are planning to attend 4 year schools and 28% will be attending Community College. Eight (8) of this year's graduates are planning to attend trade schools or enter the work world and another eight (8) of our students are choosing to serve our country by enlisting in the military. Included in the various colleges that our graduates plan to attend, are some that are *very* competitive. Among the most competitive are schools like: Carnegie Mellon, Dartmouth, Drexel, Hofstra, Rensselaer Polytechnic, Rochester Institute of Technology, University of MD College Park, University of Delaware, University of Va, and Washington College. Of course, many of the college choices are to more local schools such as Towson University, Stevenson University, Goucher, College of Notre Dame, etc. – all fine institutions. Congratulations and best wishes to each of graduates! We know that they are well prepared and will represent our school and community very well. Best wishes to all members of the Eastern Technical High School Class of 2015!

Special thanks to Donna Murphy, Kim Burton-Regulski, and Kathy Lavery for all of their assistance to plan and organize our graduation ceremony and to class sponsors Amy Thonnings and Lindsay Jones for all of their efforts with the Senior Prom, graduation, and all of the class business throughout their time with us. We also want to thank our new PTSA President Lisa Broznowicz for her service to Eastern Tech and to new After Prom Committee chairperson Doris Hitt for her wonderful efforts.

In closing, let me say “thank you” from the bottom of my heart to all of the teachers, students, and parents of Eastern Tech. You have made this the best eight years of my professional life and I will never forget you. I ask that you all give a warm welcome to new ET Principal, C. Michelle Anderson, as she moves into the position as of July 1. I'll be working with her during these last few weeks of June to help ensure continuity of the outstanding programs and initiatives that make Eastern Tech a “school like no other.” Best wishes to everyone!

Thomas G. Evans  
Principal

## ***After Prom Senior Party a Huge Success!***

### ***A Message from the Chairperson...***

Again this year, Eastern Tech's After Prom Senior Party was a huge success. Over 90% of the senior class attended the party May 23rd at the AMF Country Club Lanes. Seniors and guests enjoyed bowling, music, food, games, prize wheels, corn-hole, hole-in-one golf challenge, photo key chains and henna designs. All seniors and guests received a drawstring souvenir bag with keepsakes. Over 360 prizes were won on the prize wheels and games throughout the event. In addition, 60 senior prizes and 9 senior grand prizes were won through raffles and drawings. The celebration was one of the final events for the seniors to enjoy as a class and will be a fond memory of their farewell to high school days.

The PTSA would like to extend a ***sincere thank you to all who helped*** make this year's After Prom senior party a success. The event would not have been possible without the support of many who believe in providing a safe, fun event for the seniors during the hours following the Prom. Thank you to PTSA President Lisa Broznowicz, Vicki Pfannenstein, Kathy Johns, Chrissie Gettier, Kathy Thompson, Greg Pfannenstein and Kim Fortuna, who organized fund raising events throughout the year and gave many hours of their time to benefit the After Prom party. Thanks also to the 41 volunteers who worked the night of the party until 3:30 a.m! (Thanks to the Hughes family who organized the two Bingos and took care of the banner orders. Both of these events raised money that helped fund the After Prom and other PTSA events.)

As always, our Principal, Mr. Thomas Evans, Vice Principals: Mr. Tom Baker, Mr. Satterfield, Dr. Bowes, and Administrative Secretary, Gayle Clark were extremely supportive of our efforts to provide a safe and memorable event for our seniors and we thank them for their assistance. Sincere thanks and appreciation also goes to Ms. Jones & Mrs. Thonnings Class advisors, who worked tirelessly for the Senior class and were great advocates for the after prom senior party.

The After Prom party was made possible through the combined efforts of many, including those who provided prizes, food and/or monetary contributions. We would like to extend a special thanks to the following sponsors for their donations and support of the After Prom party and their belief in providing a safe environment for our seniors.

Summer Academy for Success in  
Mathematics  
**Advanced Placement Math  
Prep Academy**

August 3 – August 7

8:30 – 11:30

The goal of the AP Prep Academy is to provide students with a jump-start into their AP Mathematics course by reviewing and reinforcing various important mathematical concepts and skills needed for success in AP level courses.

The program will also provide students with strategies for meeting the expectations of an Advanced Placement course. Teachers will discuss time management, good note-taking skills, nightly homework, and general requirements for success in AP. The students will also learn about the format of the AP exam, how the exam is graded, and the expectations set for preparing for the exam.

We look forward to having your child join us this summer. The academy is an excellent way to help your child prepare for the rigor and workload expected in an AP mathematics course.

Feel free to contact Ms. Burton-Regulski at 410-887-0190 or at [kburton@bcps.org](mailto:kburton@bcps.org) with any questions.

It is the parent's responsibility to arrange transportation for the student to and from the summer academy. Please complete the registration form and return it to Eastern Tech along with \$10.00 by June 26th.

## AP Psychology Summer Camp

If your student will be taking AP Psychology next school year, please encourage them to attend one of two **FREE** AP Psychology summer camps being held here at Eastern Tech this summer. The dates for the summer camp are July 21<sup>st</sup> and July 28<sup>th</sup>. This is an opportunity to learn and practice the skills necessary to be successful in an AP class. Topics to be covered include:

Note-taking

Turning Vocabulary into Memories

Mastering Multiple Choice Questions

Writing Free Response Answers for AP Psychology

Students will also have an opportunity to seek answers to questions, and to get feedback regarding any part of the summer assignment they have already completed.

Students were encouraged to sign up for one of the two sessions before the end of the school year, but all students are welcome to come (even if they did not sign up ahead of time!) Students should arrive to meet me in the school's main lobby at 8:30 am on either Tuesday.

If your student is taking AP Psychology but does not have a copy of the summer assignment, please email me at [smeyer2@bcps.org](mailto:smeyer2@bcps.org) and we can arrange to get the assignment to your student as soon as possible!! 😊

## Reading List—Summer 2015

**Read for work. Read for pleasure. Read for your spirit.**

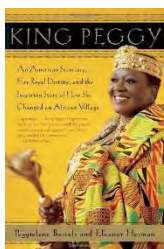

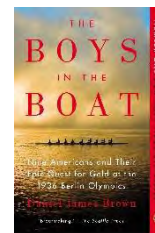

Students in Grade 9 are expected to read the following selection:

*Outcasts United* by Warren St. John. Set against the backdrop of a fading American town struggling to accommodate its new arrivals, *Outcasts United* is the stunning real-life story of an inspiring group of refugees and a woman who, with tough love and fiery determination, changes an entire community for the better. Highly successful in a previous school activity, this work has been pre-selected for 9<sup>th</sup> graders for their first year in the ET academic community.

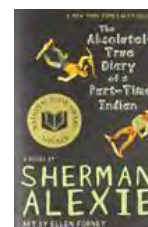

Students in grades 10, 11, & 12 may select one title from the list below. Students are strongly encouraged to read more than one selection.

*The Boys in the Boat: Nine Americans and Their Epic Quest for Gold at the 1936 Berlin Olympics* by Daniel James Brown. *The Boys in the Boat* is the dramatic story of the American rowing team that stunned the world at Hitler's 1936 Berlin Olympics. Daniel James Brown shares the improbable, intimate story of nine working-class American boys who embodied determination and optimism. The team's friendship, shared adversity, and trust in each other helped them become the legendary team that defeated the most elite rivals, including the German crew rowing for Adolf Hitler.

*King Peggy: An American Secretary, Her Royal Destiny, and the Inspiring Story of How She Changed an African Village* by Peggilene Bartels and Eleanor Herman. King Peggy chronicles the journey of an American secretary, Peggilene Bartels, who suddenly finds herself king to a town of 7,000 people on Ghana's central coast, half a world away. Peggy's first two years as king of Otum unfold in a way that is stranger than fiction. In the end, a deeply traditional African town is uplifted by the ambitions of its decidedly modern female king, and Peggy is herself transformed, from an ordinary secretary to the heart and hope of her community.

*The Absolutely True Diary of a Part-time Indian* by Sherman Alexie. *True Diary* is a semi-autobiographical work of fiction that details the life of Arnold Spirit (a.k.a. Junior), a 14-year-old budding cartoonist living on the Spokane Indian Reservation in Washington State. With humor and grace, Alexie's book—a 2007 National Book Award winner—tackles poverty, bullying, and family struggle. **Please note:** This selection may contain some potentially objectionable language and mention of (but no description of) teen self-discovery, which may be inappropriate for younger, immature readers.

**Note to Parents:** All selections have earned positive reviews and awards and are recognized as books suitable for young adults; nevertheless, some selections may contain content, situations, and/or language that various parents may find objectionable. ET advises parents to guide your children toward selecting the most appropriate book for your family.

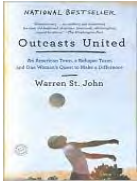

**Expectations for Eastern Tech Students:** A major grades in the subject of English will be to complete this independent reading project. This activity is scheduled to take place after September 30, 2015; however, students may be asked to complete initial activities during the first weeks of school. Stop by the library or ask your English teacher for details. Students in grades 10, 11, and 12 should read at least one selection from the above list and be prepared to complete a related reading activity. Focus your reading on the following elements: character development, language, theme, conflict, setting, cultural issues, and plot. Also, familiarize yourself with the meaning(s) of new vocabulary words from the reading.

Eastern Tech seeks to encourage a community of readers. The titles above have been selected because they fit a broad range of reading abilities and interests, are relevant to young adult experience, attempt to stretch students intellectually, and because they expose students to a variety of ideas and/or cultures. All selections have earned positive reviews and awards for their literary value and are recognized as suitable for high school readers; nevertheless, some selections may contain content, situations, and/or language that various parents may find objectionable. We recommend that as parents you guide your children in selecting the most appropriate book for your family. Have a safe and enjoyable summer.

# EASTERN TECH PTSA STAMPEDE & MEMBERSHIP

WELCOME TO THE 2015-2016 SCHOOL YEAR

[etptsamembership@gmail.com](mailto:etptsamembership@gmail.com)

## Maverick Stampede

The Stampede is our annual fundraiser for Eastern Tech PTSA. In lieu of selling candy, gift-wrap or other items, we ask that each family make a monetary contribution to the PTSA. This money will be used for the running of the PTSA including mailing the newsletter, scholarships for seniors, faculty appreciation, hospitality, after-prom party, and other PTSA sponsored events. We are encouraging parents to make their contribution along with your membership dues. If each family would donate just **\$15**, we could raise approximately \$18,000, which would help us to do more for the students and school community. We will provide a 'breakfast party' for the homeroom class with the highest average amount per person collected through the month of October.

## PTSA Membership

Your PTSA...knows that parents want to help their children succeed academically, emotionally, and personally.

We build bridges between home and school.

Your PTSA...is run by volunteers and led by volunteers. We are accountable to our members.

The annual dues are - \$7.00 for ET students/faculty and \$10.00 for each family member. (2 for \$18)

**Students must be a member every year to be eligible for PTSA senior scholarships.**

To encourage participation, we will again provide a 'breakfast party' in November for the homeroom with the highest student membership percentage through October. For each member that joins, a 'token of appreciation' will be given. Within a few weeks, your gift and membership cards will be given to your student to take home.

**Remember, your donation is tax deductible.**

**You are also encouraged to ask your company for a matching donation, if possible.**

\*\*\* ...and the WINNER is... your PTSA \*\*\*

- P** Any **parent** (family member, friend) other than student, who joins the PTSA in August, September, October or November, will have the opportunity to **WIN** a gift card. If you join in August or September, your name will be entered to win a \$50.00 gift card, in October you could win a \$25.00 gift card, and in November a \$10.00 gift card.
- T** Any **teacher** (faculty member, administrator, staff) who joins the PTSA in August, September, October or November will have the opportunity to **WIN** a gift card. If you join in September, your name will be entered to win a \$50.00 gift card, in October you could win a \$25.00 gift card, and in November a \$10.00 gift card.
- S** Any **ET student** (sign up all of them) who joins the PTSA in August, September, October or November will have the opportunity to **WIN** a \$10.00 gift card and increase the chance to win the "breakfast party" for their homeroom class.
- A** **Anyone** who waits until December will surely be welcome to join and will still receive a token of appreciation... but why wait when you can join now!

Zach Morris an alumni of Eastern Techs Law program and member of the football and wrestling teams and the school band, has created a GO Fund Me page. Zach has currently finished his second year of college, has a part-time job and is doing well. For those of you who don't know Zach has cerebral palsy, there is some new technology that will help him walk better called L300 Bioness, it's a device that will allow Zach to walk more naturally, with increased speed and improved balance. - unfortunately insurance won't cover the device

Below is a link to Zach's GO FUND ME Page – anything will help – he is trying to raise \$14,000 to pay for the device – pass it on
