Thomas Evans, Principal

From the Principal . . .

How about those **RAVENS!** As they might say in New Orleans, "Who dat gonna beat dem Ravens?" Answer – nobody! Congratulations to Coach Harbaugh and the guys for bringing such a positive end to this year's NFL season.

As we move into the 3rd marking period, I want to say congratulations to our local champions - the 656 students who made the Honor Roll for the 2nd quarter. Of them, 40 were added to the Principal's Honor Roll for achieving all A's and will be honored at a breakfast ceremony in the coming weeks. I'd also like to thank the hundreds of seniors and senior parents who attended our annual Senior 100s Night and Ms. Murphy for all of her work to organize the program for the evening. Special thanks are also given to Mrs. McCullagh for working with the large number of parents who filmed "congratulations announcements" for their seniors and to class sponsors Mr. McGrath and Ms. Bonincontri for all of their assistance with the event. At Senior 100s Night, Ms. Murphy and I reminded our seniors of the importance of finishing strong. We reminded them of the research that says the way in which a person finishes one phase of their life is strongly related to the way they will begin the next phase. So, as our seniors complete their final months of high school and are looking forward to success at the college level, maintaining academic focus, attendance, and behavior is critical to beginning strong in college. The good news is that all of our seniors have passed each of the High School Assessments and all will have earned more than enough credits to graduate, providing they pass graduation requirements such as English 12, EPI, and Health. We still have a few seniors who need Student Service Learning hours and have reminded them of the seriousness of providing documentation for the required 75 hours.

One of our teachers, Mrs. Krause, and one of our business partners, Al Packer Ford were recognized by the Chamber of Commerce in January. Ms. Krause was given the "Outstanding Teacher" award and Al Packer won the BEST (Business, Educators and Students Together) award for their annual donation of a vehicle for our "Car Giveaway" program. This year's car giveaway is scheduled to occur on Tuesday, May 14th and we again applaud Al Packer for their generous donation.

In other news, congratulations to our **Varsity Cheerleaders** for winning the Regional Championship and for finishing in 2nd Place in the state! WOW! Congratulations also to our **It's Academic** team for their victory last fall and best wishes to our team and team sponsor, Mrs. Elliott, for success in the playoffs. Our playoff match is scheduled for March. Congratulations to our **Mock Trial** team. They recently completed the regular season undefeated and have moved into the Championship Round. Coach Desmond and the Mock Trial have represented Eastern Tech very well throughout the initial rounds. Go TECH!

Sincerely,

Thomas G. Evans

EASTERN TECH PTSA STAMPEDE & MEMBERSHIP

WELCOME TO THE 2012-2013 SCHOOL YEAR

etmembership@gmail.com

Maverick Stampede

The Stampede is our annual fundraiser for Eastern Tech PTSA. In lieu of selling candy, gift-wrap or other items, we ask that each family make a monetary contribution to the PTSA. This money will be used for the running of the PTSA including mailing the newsletter, scholarships for seniors, faculty appreciation, hospitality, after-prom party, and other PTSA sponsored events. We are encouraging parents to make their contribution along with your membership dues. If each family would donate just \$15, we could raise approximately \$18,000, which would help us to do more for the students and school community. We will provide a 'breakfast party' for the homeroom class with the highest average amount per person collected through the month of October.

PTSA Membership

Your PTSA...knows that parents want to help their children succeed academically, emotionally, and personally.
We build bridges between home and school.

Your PTSA...is run by volunteers and led by volunteers. We are accountable to our members.

The annual dues are - \$6.00 for ET students and \$7.00 for each family member.

Students must be a member every year to be eligible for PTSA senior scholarships.

To encourage participation, we will again provide a 'breakfast party' in November for the homeroom with the highest student membership percentage through October. For each member that joins, a 'token of appreciation' will be given. Within a few weeks, your gift and membership cards will be given to your student to take home.

Remember, your donation is tax deductible.

You are also encouraged to ask your company for a matching donation, if possible.

*** ...and the WINNER is... your PTSA ***

- P** Any **parent** (family member, friend) other than student, who joins the PTSA in August, September, October or November, will have the opportunity to **WIN** a gift card. If you join in August or September, your name will be entered to win a \$50.00 gift card, in October you could win a \$25.00 gift card, and in November a \$10.00 gift card.
- T** Any **teacher** (faculty member, administrator, staff) who joins the PTSA in August, September, October or November will have the opportunity to **WIN** a gift card. If you join in September, your name will be entered to win a \$50.00 gift card, in October you could win a \$25.00 gift card, and in November a \$10.00 gift card.
- S** Any **ET student** (sign up all of them) who joins the PTSA in August, September, October or November will have the opportunity to **WIN** a \$10.00 gift card and increase the chance to win the "breakfast party" for their homeroom class.
- A** **Anyone** who waits until December will surely be welcome to join and will still receive a token of appreciation... but why wait when you can join now!

More good news has come to Eastern Tech. Our entire school (interior) will be painted starting February 19th, 2013 and will take approximately 10 months to complete. Classrooms will take approximately two days to paint and we will open up two classrooms to float teachers and students into while their room is being painted. BCPS is using low **volatile organic compound (VOC)** and environmentally friendly paints with material safety data sheets available in the front office for public review. We will be starting in room 200 and working our way around the upstairs during the second semester, completing the large shops in the summer. This project is a great opportunity for our school because it has been over 15 years since our last painting. If you have any questions contact Assistant Principal Tom Baker.

If you have an interest in PTSA, want to be involved, or wonder what is going on because your child never tells you *anything*, we have an opportunity for you! Next year we have several elected officer positions that will be vacant without your help. No experience is necessary, but it helps to know what is involved. Our meetings are the second Monday of the month at 7pm. Come and check out a meeting. If you are interested or have questions please feel free to email Kathleen Wiles, Nominating Committee Chair, at ETnominations@gmail.com.

Nominations for 2013-2014 will be announced by e-mail. Elections will be held at the May 13 PTSA General Membership meeting. Officers will take over the position on July 1, 2013.

Senior Banners – be sure that your senior is not left out!

Banner information is on its way to all senior parents. Be sure to ask other family members such as grandparents, aunts, uncles, etc. to purchase a banner as well. **Be creative - think of something fun to say to your student.** Proceeds from the banner sales will directly benefit the After Prom Gala for the Class of 2013. There is still time to order. If you have questions concerning banners, please contact Julie Wiseman at jwisema5@jhmi.edu

Blood Drive - Our PTSA sponsored blood drive is on **Wednesday, March 13th, 2013**. Students 16 years and older are eligible to donate blood, and should sign up in school during lunch. It would be great for all parents and eligible students to show their support of such a worthy cause. If you have never donated, you should try it. It really only hurts for a second and feels great to know that you may have helped save a life. Encourage your students to be blood donors when they are young so that it becomes a way of life for them. Parents, older siblings, friends wanting to donate are encouraged to schedule an appointment by contacting Sheri at sherihipsley@mris.com to ensure shorter wait.

PTA Council of Baltimore County Reflections Award Recognitions

On behalf of Eastern Tech and the PTSA, we would like to congratulate those students who participated in the Maryland PTA Reflections Contest. This year the theme was “Magic of a Moment”. We had seven students submit entries to Eastern Tech. Eastern Tech hosted a judging and submitted five entries to the next level, Baltimore County PTA. The PTA Council just finished its judging and we are proud to say that four of students were recognized at this level. All students who receive an Award of Excellence will move on to the state level judging. The results of that level will be provided in March. All students who receive an Award of Excellence or an Award of Merit will be invited to the Baltimore County Council Reflections Awards Ceremony on Sunday, March 17. So, please congratulate the below students.

Nick Logue – Award of Excellence for Musical Composition
Jackalyn Searfino – Award of Excellence for Photography
Heather Bowers – Award of Excellence for Dance Choreography
Kayla Zuromski – Award of Merit for Literature

We hope to continue to build Eastern Tech’s participation in this contest, but for now, congratulations to those who participated.
